Gentlemen:

Re: 3933 Harrison Street
Oakland, California
Building Permit No. 015132
Apts. at right rear corner
first, second & third floors.

As requested by Mr. Derrison this morning, we attach hereto a picture copy of an affidavit furnished by United States Plywood Corporation relative to fire doors furnished for the apartment project at 3933 Harrison Street, Oakland. The original affidavit is retained in our file.

Yours very truly,

K. F. Hoffmann, being duly sworn, deposes and says that he is a resident of the City of Algoma, Kewaunee County, Wisconsin, and that he is Manager of the Development Department at United States Plywood Corporation--Algoma Division in said city;

that the doors described on Algoma Division order No. D-38891, item No. 53, Durand Door Supply, Inc., Los Angeles, California, order No. 3874-Part, item No. 71H, were manufactured to comply with the requirements of Class "B", 1-1/2 Hour labeled fire doors as specified by Underwriters' Laboratories, Inc., 207 East Ohio Street, Chicago, Illinois, except for the height, and that the height of said doors is the only exception thereto.

K. F. Hoffmann
